

# How to reach Mittelstrasse 43 from Bern main train station:

The easiest way to walk is to leave the train station with the elevator to the Parkterrasse (4th floor). From there you pass in between the two main buildings of the university and turn right into Sidlerstrasse. Now you can take either Gesellschaftsstrasse or Zähringerstrasser on the left side until you reach Mittelstrasse.

If you come by bike, please park it at the backside of the building (entrance via Brückfeldstrasse). Otherwise it might be removed by the caretaker.
